

FUSS-FREE DEFUZZING

You know what doesn't go with a gorgeous dress? Stubble! Shaving and waxing are all well and good, but for a more long-term solution, why not use **Bioxet**, an easy to apply cream that permanently weakens hair at the root to stop it growing back? We have **THREE Bioxet hampers** to give away, each including the cream for face and body AND the new weekly use serum, all three of which will keep your pins and pits are fuzz-free this Debs season.

To be in with a chance of winning simply text **KISSDEBSBIOXET** along with your **NAME**, **AGE**, **ADDRESS** and the **ANSWER** to the question below to **53150**.

Which fairytale character had hair long enough to climb up?
